INDEX TO VOL. XXXIV.

ORIGINAL AND TRANSLATED ARTICLES.

Calcium chloride in glaucoma 299
Canaliculus, localized suppuration of case histories, interesting 369
Cataract, double congenital, apparently total aniridia 370
Chemosis, ocular 373
Choroid, sarcoma of, negative transillumination 56
Clinical review ..... 207 and 331
Conjunctivitis, "provoked" 112
Corneal thermotherapy 221
Death, signs and ocular reaction of 274
Dental origin of ocular diseases 97
Diabetes, change of refraction after an attack 329
Five ocular growths of a papillomatous nature 354
Foreign bodies, intraocular 129
Glaucoma due to discission of secondary cataract 118
Hæmorrhages, intraocular and their treatment 161
Indirect vision, harnessing up 33
Interesting case histories 369
Intraocular tumor, unusual history 257
Iris and ciliary body, treatment of diseases of ..... 261 and 301
Leukæmic newformation in the retina 203
Magnet extraction. Two points of controversy 134
Medication, general ..... 8 and 45
Optic nerve involvement in sphenoidal and ethmoidal disease 40
Orbital prothesis 4

Magnet extraction. Two points of controversy 134
Medication, general ..... 8 and 45
Optic nerve involvement in sphenoidal and ethmoidal disease 40
Orbital prothesis 4

Papilloma 354
Pigmented nævus of carnucle 1
Reverse seeing 43
Sclerotic, necrotic tumor of 106
Shrinking essential of the conjunctiva 289
Stigmata of syphilis. Transillumination in the demonstration of Hutchinson's teeth 65
Subconjunctival injections of mercury cyanide 70
Teeth, suspected, and Wassermann reaction 65
Therapeutic review 172, 348 375
Thiosinamin injections, subconjunctival, in relapsing vitreus hæmorrhages 83
Trephining, post-ciliary, in glaucoma ..... 193 and 362
Tumor, cystic, of hypophysis. Optic atrophy 225

ABSTRACTS.

Apomorphin and morphin absorption through the conjunctiva 152
Blastomycetic infection of the eye 93
Blindness caused by intranasal diseases 151
Blindness, monocular, following violence to the skull 249
Bloody tears 63
Bright's disease, chronic, retinal manifestations 222
Cartilage grafts in wounds of the eye 150
Cataract extraction from the vitreus 188
Cerebral spastic paralysis, eye ground changes 221
Cinematograph, effects on children's eyes 125
Circular plastic for ectropion 26
Conjunctiva, essential shrinking of in pemphigus 317
Congenital flap in gonorrhœal ophthalmia 7
Dacryocystitis, chronic, treatment of 190
Desiccation surgery in eye conditions 351
Ethylhydrocuprein in diseases of the eye 94
Exophthalmos in leukæmia 30
Fragilitas ossium and blue sclerotics 154
Glaucoma, acute inflammatory produced by one drop of a 1 per cent. homatropin solution 173
Glaucoma, critical survey of present treatment 247
Glaucoma, medical side of 27
Hæmorrhage into the anterior chamber 28
Indian ophthalmic practice, eccentricities of 148
Illumination, contrasted, effect of on the eye 127
Keratitis, syphilitic 59
Lacrimal sac, radical extirpation of 27
Negro, interesting conditions seen in the eye of 220
Nephritis, chronic, simulating cerebral neoplasm 191
Oculocardiac reflex 124
Ocular globe, penetrating wound of 224
Ocular muscle symptom, new, in exophthalmic goiter 153

Ophthalmoplegia externa, complete, from severe coughing 25
Ophthalmia neonatorum, non-gonorrhœal 31
Papillœdema, effect on, of removal of small quantity of cerebrospinal fluid by lumbar puncture 318
Paraffin treatment of burns 156
Parinaud's conjunctivitis 364
Prisms in ophthalmic practice 157
Prothesis, oculopalpebral 351
Pupil in dementia præcox 254
Radiography of eye and orbit 95
Retinitis of arteriosclerosis, relation to renal and cerebral vascular disease 252
Salvarsanized serum, subconjunctival injection of 255
Sarcoma of the choroid, difficulty in diagnosis in beginning 158
Sarcomata, recurrent, electric desiccation of 62
Secretions, internal, and eye diseases 58
Serum therapy in pneumococcic affections of the eye 319
Strabismus, tucking operation of 29
Surgery, intracranial, and ophthalmology 57
Tendon shortening, ocular non-suture 248
Tonsillitis, iritis and optic neuritis following 255
Trachoma and army 349
Tuberculosis of conjunctiva 128
Tuberculosis of eye, treated by local application of tuberculin to the eye .....
Vertigo, ocular 61
Vision, disturbances of from cerebral lesions 63
Vision, disturbances of from quinine and paludism 316
Visual perception, dissociation of, due to occipital injury..... 285
